LIVE THE DREAM

Adventura Caravans invite you to step into a world of luxury and superior quality caravans. Enjoy premium comfort and lavishness.

SET APART FROM THE REST

Every detail of these exquisite caravans is imbedded in luxury and quality. Stylish furnishings, modern upholstery, scratch-resistant bench tops, stainless steel sinks and striking splash backs are just an example of some of the deluxe features.

Our cabinetry is meticulously designed to maximize space and accessibility. The cupboards are screwed not stapled and crafted by qualified trades people to bring innovative home kitchen design and comfort into each caravan.

Instead of standard paper finishes, we use high pressure laminate doors that are scratch resistant and easy to clean. Adventura Caravans are not batch built on an assembly line which means that the utmost care and pride goes into every caravan built.

No aspect of luxury is bypassed ... you'll feel like you're stepping into a five star hotel.
